

FY25 Donor Roll & Impact Report

A Message of Gratitude

Dear Alumni, Parents, Friends, Board Members, Businesses, and Foundations,

I am profoundly grateful for your generous support. Your collective commitment during the past fiscal year has fueled vital progress across our campus and online programs, directly impacting the lives and education of our students.

We have carefully stewarded your philanthropy to maximize its impact and ensure the continued success of the College:

- Your gifts to **Community Rising** provided \$738,000 in unrestricted funding that is crucial for maintaining and enhancing the core student educational experience. These discretionary dollars enable us to respond to the College's most pressing annual priorities, ensuring our flexibility to adapt to evolving institutional needs while sustaining daily operations. This kind of funding supports strategic investments that directly benefit our students, faculty, and programs, which ultimately helps SJC fully serve its mission.
- Your investments in the College's **Endowment** provided \$236,000 to ensure the future financial health of SJC, specifically supporting generous scholarship funds that allow us to provide opportunities to promising students in need, now and in the future.
- Your support of \$536,000 made it possible for us to address **specific needs and programs** across the College. This funding provided essential merit and need-based scholarships, supported event sponsorships that bolster Community Rising and Saint Joseph's athletic and leadership programs, delivered capital gifts for future renovation plans to open new academic programs for students, and sustained top-notch academic services, like Destination Graduation and the Career Studio, which are available to students from day one.

I want to thank you, too, for joining with us to **celebrate significant milestones** over the past year, including:

- My own inauguration as President, marking the beginning of an exciting new chapter for me and Saint Joseph's College.
- The announcement of the prestigious NSF Noyce Grant, an endorsement of our commitment to the important work of growing excellent STEM teachers for Maine.
- The proud moment of welcoming an ever growing number of our online students at Commencement, showing the strength of our digital education model.
- The graduation of our first Integrated Studies student and the first four Talbot Students, highlighting the success of Saint Joseph's innovative academic pathways.

Finally, **thank you** for your belief in Saint Joseph's College and our students, both on campus and online. Your generosity is not just a donation; it is a thoughtful investment in the success and future of our community.

Sincerely,
President Joe Cassidy

Thank you to our Board of Trustees for their service and leadership.
